The Sound Of Spirit . . .

The sounds of spirit are loudest at Cupertino. School spirit is undoubtedly one of Cupertino's greatest attributes.

Led by seven Pep-girls, who have organized a fabulous pep club, school spirit is spread throughout our school. The Thirties, Varsity, and Song-girls lead us at our games.

On Fridays the classes form a huge white swell in the gym. Yelling loud and clear, the separate classes compete for the spirit trophy. At the games, the classes join in as a whole, roaring with enthusiasm for the team.

The result of these sounds of spirit has been the district spirit trophy. Cupertino truly has the sound of spirit.

The Sound

Of Learning . . .

Achieving an education is a goal that each CHS student works toward. Some students prepare themselves for college and others prepare themselves to plunge into the business world directly from high school. As Mr. Fernandez says, "Excellence in education is a goal set by everyone at CHS."

Our students rate high in the National Merit Scholarship tests and many participate in our fine California Scholarship Federation.

We are privileged to have a fine faculty—"the cream of the crop." Inspirational instructors, the urge to learn, and determination to reach our goals give Cupertino a "sound of learning."

This YEARBOOK represents many successes accomplished by you students. To be able to capture on paper the tremendous school spirit and pride which permeates every activity on our Campus; to be able to project tangibly the loyalty and courage in the face of defeat; to be able to describe the esprit de corps ever present on this Campus; is a task of a gifted artist able to interpret with his special tools and talents.

The memories stored in this book are yours to cherish for a lifetime. I hope they will encourage all of you to strive for excellence in your continued pursuit of success.

Fremont Union High School District Board

We all can be proud of our district high schools and the record they have made this year in academic and sports achievements. Competitive spirit among students of each school has caused a rise in standards among all members of our district school "family," which now has five members with the opening of Lynbrook. Meanwhile, we are planning a sixth high school to serve our student population which neared 10,000 this year and will top it next fall. We are pleased with

your enthusiasm for the modern instructional methods we have installed to help you compete with graduates of other districts. The excellent reports we have from our graduates indicate that you are making good use of your educational opportunities. Keep up the good work!

They Also Serve

The main office staff combines friendliness with efficiency. They are: Mrs. Stevens, Mrs. Blackburn, Miss Ahrens, Mrs. Wade, Mrs. Ludlum.

The office staff helps our campus run smoothly. They are: Mary Pierceall, JoAnne Berger, Marilyn Rhodes, Maurine Bagliere, Toby Bunker.

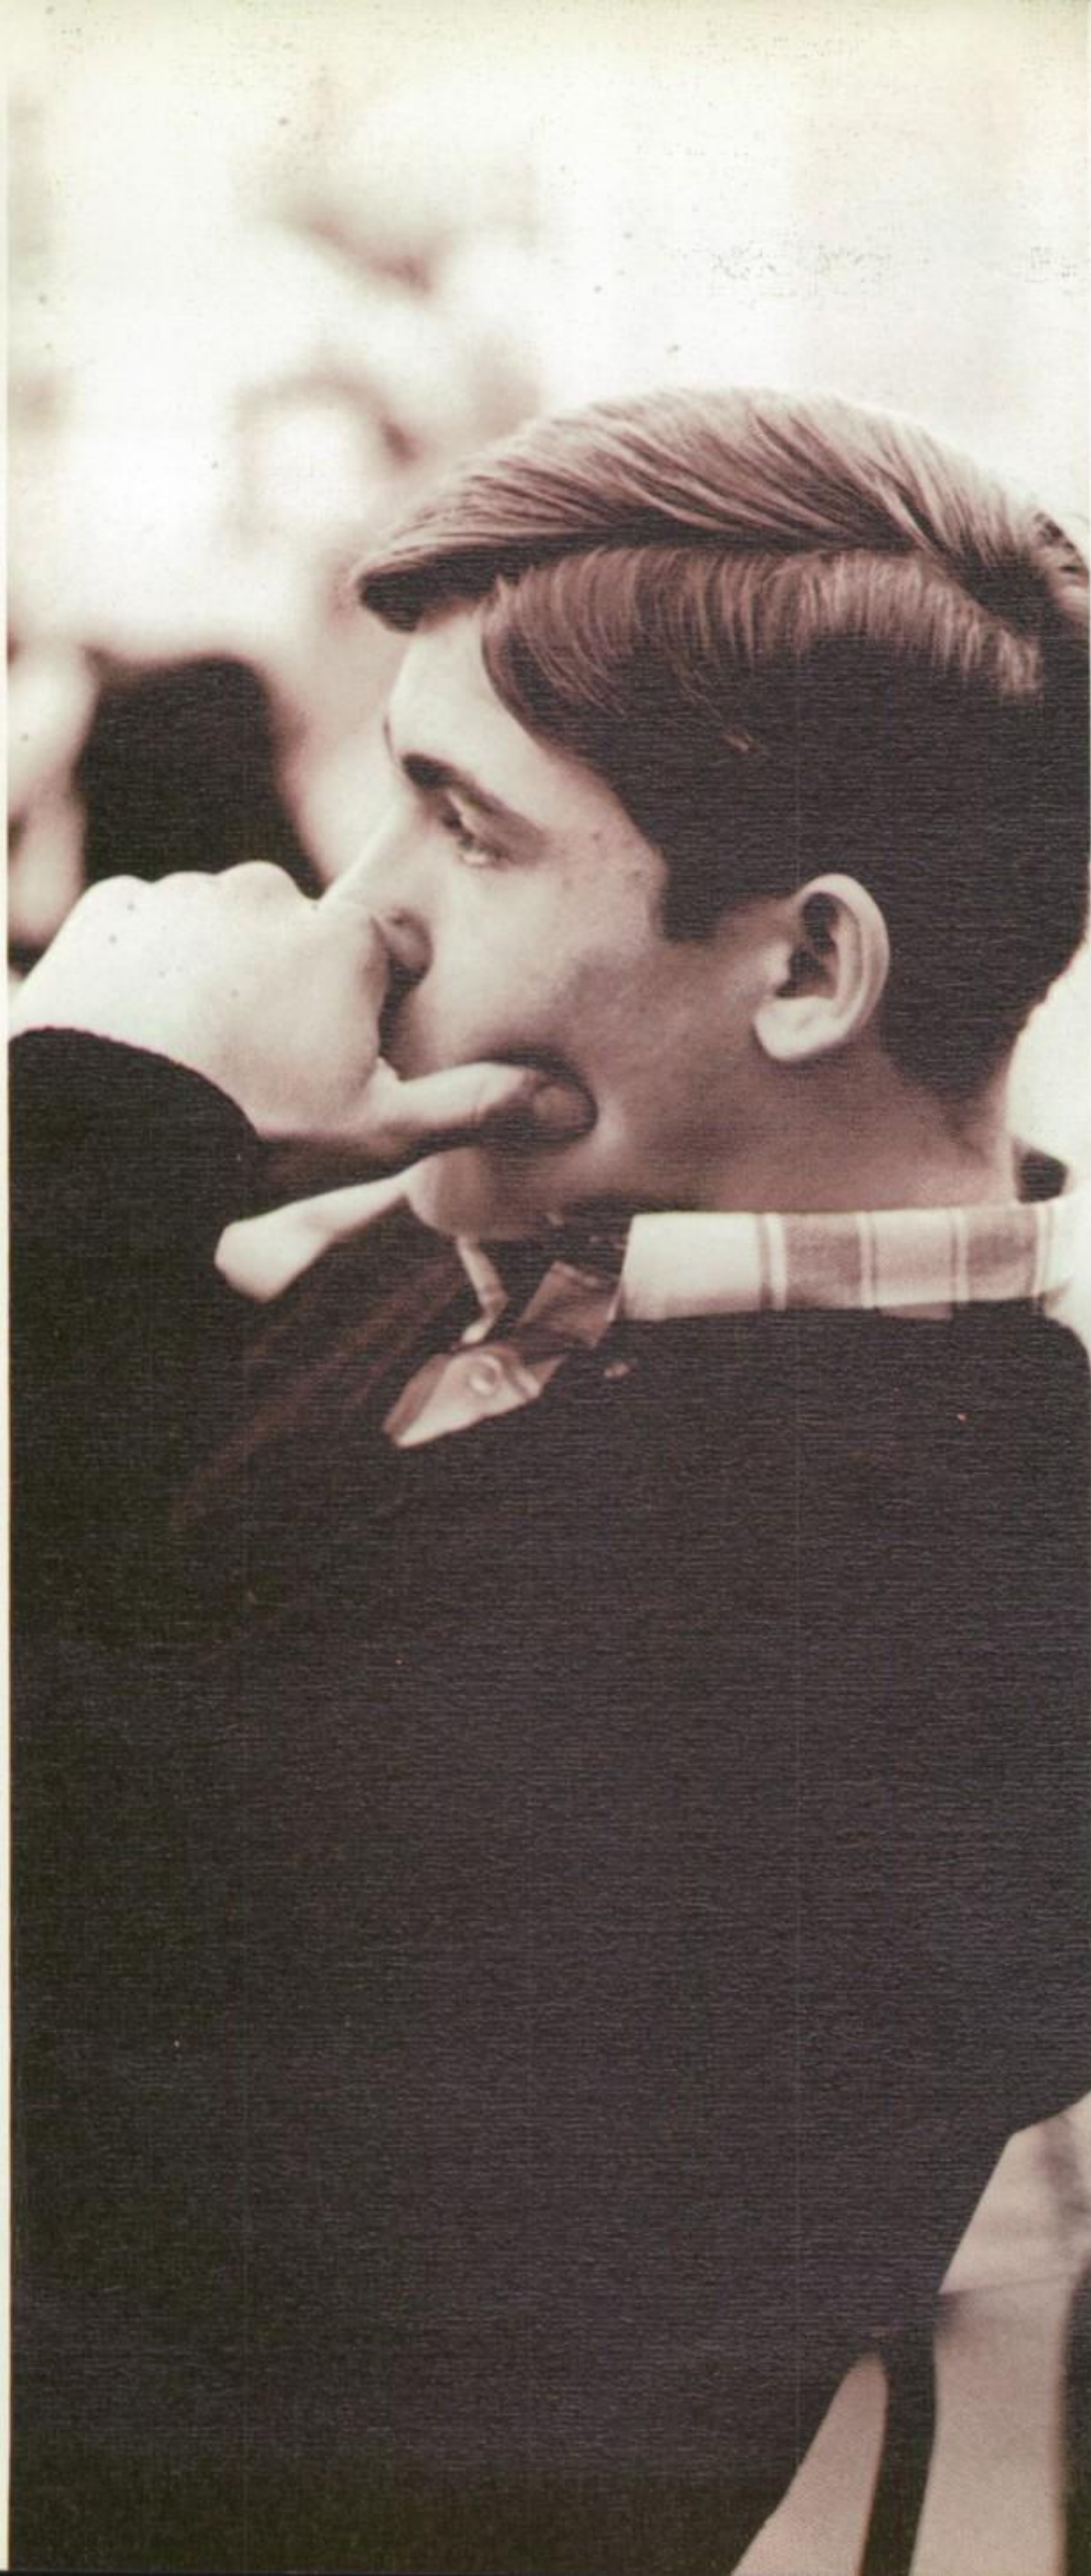

The friendly cafeteria staff serves us our food. They are: Belle O'Brien, Mary Sweeney, Ann Valine, Elsie Meyer, Florence Chaboya, Bertice Glass, Mary Winqvist.

The hard-working custodians keep our campus neat and clean. They are: M. Hirata, A. Nunes, R. Farmer, J. Garcia, W. Flury, J. Gomez, A. Harvey, F. Gheno, O. Guidotti, V. Roth, D. Balgeman.

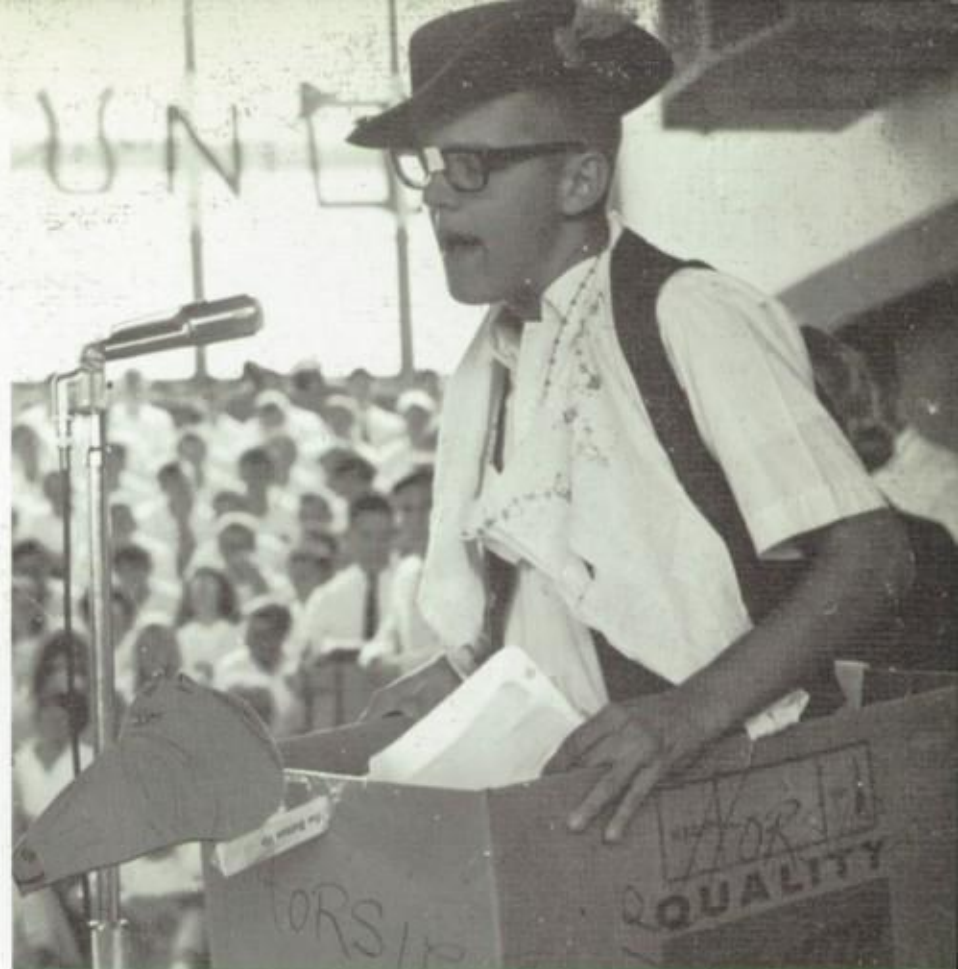

The Sound Of Class . . .

Not only school spirit but class loyalty and pride are characteristic of Cupertino students. Class officers and advisers work together to plan projects that promote unity and, incidentally, raise money. Rallies provide opportunities for competition between classes to win the spirit trophy. The climax of class rivalry is the Inter-Class Relay, held each spring.

Senior Class Officers

Back row: Terry O'Sullivan, Vice-President; Dee Swayze, Secretary. Front row: Chris Marx, Social Chairman; Rick Horner, President; Nancy Nations, Treasurer; Skip French, Sergeant-at-arms.

Seniors Of 1966 - Proven Leaders

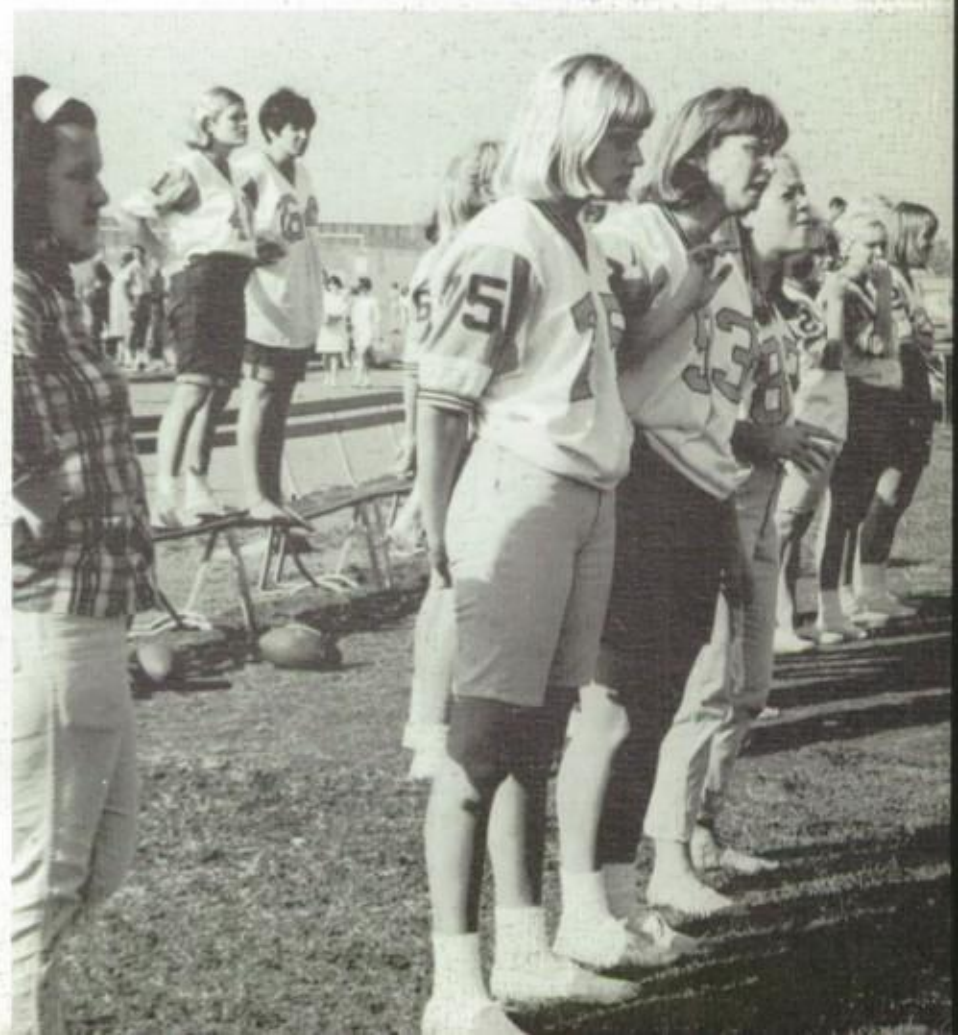

This year's graduating class has proven itself to be one of the best classes to have ever attended Cupertino. It passes on a proud heritage of spirit, enthusiasm, and high academic standards.

From the first day this class attended Cupertino as Freshmen to the day they left as the graduates of 1966, the school learned to respect this excellent class and its members.

Among the achievements of this class are: the first class to have a class banner; their victory over the class of '65 in the

Pioneer Day Powder Puff Game; their flawless record against the class of '67 in the Powder Puff; the sole possessors of the Inter-Class Spirit Trophy; and sponsor of the best Junior Prom in the school's History.

This has been a class that has made the school take notice. It is a class that has proven its leadership abilities in athletics, in the classrooms, and in student government. It is a class that will truly be missed by Cupertino but gladly received by the world.

Enthusiasm Mounts

With many pleasant thoughts of the Junior Prom, a "first attempt" at Powder Puff Football, three wonderful years at CHS, and only one year 'til graduation, the Juniors, the Class of '67, face the future with big plans and plenty of enthusiasm.

This class, the largest and the best (according to its more than 700 members) has already made its mark on CHS. As the nearest rivals to the Senior class, they are constantly urging the whole student body on to new heights in spirit and creativity.

Many new and enthusiastic plans for the future are a constant challenge to other classes. Plans to win the spirit trophy and the Powder Puff force all rivals to put forth extra effort in order to be the best. If they raise \$3,500 by the end of their Junior year and thus become the first class with no charges for Senior activities, you can depend on the popularity and continuation of this "tradition".

Juniors urge their runner on.

Inter-Class Relays

On Friday, March 4, the entire student body rushed to the track to observe the annual Inter-class Relays. The best runners of our school ran neck-and-neck, competing vigorously for first place. The Juniors displayed a handful of champions who skimmed by the Seniors at the last minute.

But Impressive

As the Sophomores finish their last year as underclassmen, they can proudly look back on years full of activities. As Sophomores, they impressed the student body with the presentation of their class banner. Victory ran with the Class of '68 in its first inter-class relay.

Although the smallest class at CHS, they abound with spirit and ambition to further their class.

The Class of '68 has been an example for the up-coming classes to follow because of their class participation and their loyalty to Cupertino High School.

For Recognition

The Freshman year is spent to a large extent in organization and in getting acquainted both with a new school and fellow class mates for the up-coming four years.

The year started off with Orientation Day when most, if not all, survived their first official introduction to their new home away from home.

Under the supervision of their counselors, they have drafted a constitution, elected frosh officers, begun fund-raising activities and held two successful dances. With the presentation of the banner of "69", they also plan to present the future "great" class of an already great school.

Upperclassmen Sue Cifranic and Terry Alexander introduce a group of freshmen to their new home, Cupertino.

Girl Gridders Demonstrate Skills And Tempers . . .

Powder Puff, Oct 30, 1965

Senior gridders reign victorious over the Junior girls in Cupertino's fifth annual Powder Puff game. The girls' football teams played two games to open the regular Fall Pioneer Day celebration. Under the skillful guidance of coaches, Mrs. Ross and Mrs. Carlson, the Seniors scored two hard fought victories. The Juniors, now with their valuable experience and able coaches, Mrs. Dexter and Mrs. LaBee, look forward to victory next year.

Spring officers. Jim Sholer, Bill Meyers, Liz Hawes, Maureen Manley, Paula Slotte, Nancy Osaki.

Students who earn a minimum of ten semester grade points are eligible for membership in the California Scholarship Federation. "A"s are worth three points, "B"s one, and other grades are not counted.

Semester members of C.S.F. are eligible to wear the C.S.F. torch pin while they remain in the club. Students who are members for at least four semesters of their last three high school years are eligible for life membership in C.S.F. They are awarded the C.S.F. lamp pin and life certificate, and their diplomas and transcripts are embossed with the C.S.F. seal.

C.S.F. is not a service club; it is an honorary organization made up of persons who are encouraged to live by the motto, "scholarship for service."

The Sound Of Government . . .

"Please excuse me for a short announcement: There will be an Executive Council meeting seventh period this afternoon in the Auditorium."

This was one of the many Sounds of Government heard and spoken by the students of Cupertino during the 1965-1966 school year. The Executive Council meetings, the Nominating Conventions, the elections . . . are all a part of Cupertino and its student government. This experience provides an excellent small-scale version of our country's democracy, giving Cupertino students valuable training for later life.

This year the two leaders were Bob Pirani and Tom Baer. They vigorously carried out the Cupertino tradition of an active and responsible government.

FALL OFFICERS:

Sue Hoffman, Treasurer; Tom Baer, Vice-President; Bob Pirani, President; Mary Mariani, Secretary; and Bill DeHart, Sergeant-at-Arms.

Executive Council

The Executive Council in action . . .

The Executive Council plans the Christmas Ball.

Legislative Council

Members of the Legislative Council are elected from Advisory classes; the Council is headed by the A. S. B. president. The purpose of the Legislative Council is to represent the individual classes in a unified body. It is instrumental in advocating school improvement projects and allocating the necessary funds.

Bob Pirani presided over the three hundred

and sixty-five delegates present at the eleventh Cupertino nominating convention. The convention activities were carried on in our auditorium during January of 1966. The purpose of the convention, aside from having a good time, was to place the names of candidates on the ballot for the spring semester election.

Exchange Programs Broaden

This year Seija Elisabet Levo brought a bit of Finland to Cupertino. Her home is Helsinki, but this year she lived with Barbara Crist's family. Beneath Seija's quiet exterior and shy smile is an energetic, active girl, who gave people opportunities to know her through her participation in many activities.

Our Swiss visitor, Hans Rudolf Peter, came to us from Zurich, Switzerland. He lived in San Jose this year with Don French. He brought enthusiasm to many various activities. We will always remember Hans for his wonderful character—his ambition, his sense of humor, and his integrity.

Mr. Anthony Jenkins exchanged this year with Mr. Sezak to teach Russian and German. His home is in Birmingham, England. During his year here he gave enjoyable speeches to

varied groups and won many friends that way. Those students who were fortunate enough to have Mr. Jenkins as a teacher will never forget his smile, his subtle wit, and his skill as a teacher.

Besides hosting foreign visitors at Cupertino, we sent several representatives abroad. One of these was Randy Hornor, who lived for a year in Capetown, South Africa. Randy came back with not only a great many interesting relics and stories, but also a greater understanding of a society which is very different from ours, and he shared these with us. Toni Lovaglia spent a part of the summer of '65 in Copertino, Italy. Pam Applegate spent the year of '65-'66 in Brazil.

The Sound Of Activities

The accent at C. H. S. is found in our activities, the fringe around Cupertino's core of academic achievement.

During the year active sounds can be heard at dances, clubs, musicals, and plays.

Among our dances are Proms, Balls, and holiday specials. Service, Language, and Scholastic clubs are active the whole year. Our students entertain in many ways, from the modern dance show, "Old Wine and New Bottles", to Shakespeare's "Merchant of Venice". Many students also contribute their time and talent to the Senior Jubilee as well as assemblies of all kinds.

Cupertino also has an active sports program, with active leaders arousing spirit and enthusiasm.

C. H. S. has clubs, sports, government, and activities of all kinds to attract every interested Pioneer. These priceless moments in high school become as much a part of Cupertino as academic achievement.

Soar And Perform

Patti Iwata, Ginger Butts, Janis McPherson, Dee Miller, Cynthia Tendeland, Kathie Wood

Cupertino Cheerleaders and Song girls have proven their ability to make rallies a success and raise team spirit at the games. Besides their efforts to build school morale at Cupertino, our spirit leaders have found time to be active in competition. At the Andrew Hill Convention this year both the Varsity Cheerleaders and the Song girls received the highest ratings of all schools in the Santa Clara Valley.

Hard-Working Pep Girls Organize CHS Spirit

Backing Cupertino's mighty spirit is a group of enthusiastic and dedicated girls. These girls, easily identified in their red blazers and skirts, are known as the Pep Girls. Before the games these girls and Pep Club members spend many hours

decorating and painting posters and run-throughs. At the games they provide white shirts to insure a completely white rooting section. Efforts of the Pep Club have proven very successful under the leadership of the Pep Girls.

In a V-formation our Golden Spurs are: Yvonne Sullivan, Diane MacIntyre, Trudi Starbeck, Joyce Yoo, Kathy Harkness, Nancy Scovel, Penny Siddons, Diane Hermsmeyer, Lynn Swenson, Lorie Pitts, Diane Belke, Mary Augustine,

Jackie Judd (Captain), Nancy DeHate, Wendy Hallman, Joyce Provence, Beverly Klein, Alison Adler, JoAnn Pera, Wendy Maki, Barbara Broman, Debra Greni, Cathy Joliffe, Pat Bergeron, Merilee Maine.

Precision And Glamour Entertain Crowds

Cupertino's Golden Spurs, noted for their precision marching and march-dance routines, work with the band to provide half-time entertainment at the football games. Throughout the year the girls enter competition in various parades and usually come up with a first place. Acting as majorettes are those girls in the bright red sequins—the flag girls. Also marching with the drill team is the color guard.

The half-time show is often highlighted by champion twirlers Steve and Laurie Zucchi. They have received many trophies and much praise for their performances at football games and in competition.

Flag girls demonstrating their high kicks are Pam Bunbury (head), Bev Bruno, and Sandy Pettibone.

Cupertino takes pride in twirlers Laurie and Steve Zucchi.

Under the direction of Mr. Stafford Miller, Cupertino's music program has taken on a refreshing new look. This year's football crowd was entertained by a fancy-stepping marching band in impressive new uniforms. The band not only took an active part in community performances but entertained at the basketball games, the school musical, and performed their own successful spring concert. A newly-organized string orchestra performed on television and in the Christmas pageant. Cupertino's A and B choirs have maintained high standards of excellence.

"Dinny And The Witches"

If you happened to be walking in New York's Central Park at night and came upon three witches tampering with the future by their incantations, you might be as amazed as the characters in Cupertino's fall play, "Dinny and the Witches."

A fantasy in three acts, it dealt with the matter of life and death in a nuclear age.

Starring Bob Pirani as Dinny, this delightful production was held the 19'th and 20'th of November before full houses.

What happens when a "perfect" girl gets corrupted by the "Seven Deadly Sins?" Amy (Sally Schwager) displays her version of the answer.

"I've got to look for what I'm looking for. I've been on this earth 25 years—and for what reason?" questions Dinny (Bob Pirani).

Head witch Zenobia (Marilyn Moss) tries to explain that not **all** of the five thousand years of Dinny's administration has been bad.

Money conscious Stonehenge (Rick Hornor) makes a financial report to "King" Dinny. "2, 5, 3 comma, 8, 6, 4 comma," rattles off Stonehenge as he explains the amount of money Dinny has in "trillions".

Luella (Colette Childs), the life witch, and Ulga (Chris Marx), the death witch, battle for Dinny's soul.

Annie (Nancy Olson) coaches Frank Butler (Bill DeHart) on shooting techniques.

Get Your Gun"

This year Cupertino produced its second annual musical—"Annie Get Your Gun." The popular Broadway hit from the 1950's proved a great success. Nancy Olson played the lively, humorous heroine of Annie Oakley, and Bill DeHart starred as the arrogant sharp-shooter Frank Butler.

Other major roles included Peggy Bockeno as Dolly Tate, Tina Lanser as Winnie, Rick Hornor as Tommy, Chuck Spoerri as Charlie, and Karl Vidstrand as Chief Sitting Bull.

Long hours of rehearsal and hard work went into the production of this year's spring musical. Under the capable direction of Miss Ann Hadley a smooth coordination of music and acting was achieved.

Winnie and Tommy ask, "Who Do You Love?"

Fantasy In

The annual Christmas Ball, presented by the Executive Council, brought a close to the activities of 1965. Pillars adorned with gold magnolia leaves captured the fantasy of age-old Greece. Decorated in red, gold, and white, the gym echoed the elegance of Greece by firelight. For a few short hours, Dave Pugh and the Sentimentals provided the music.

Lovely Cynthia Tendeland was crowned Christmas Ball Queen to reign over "Fantasy in Firelight, 1965." Cynthia's beautiful attendants were Princesses Nancy Olson, Sue Achor, Tina Lanser, and Kathie Wood.

SENIOR

The Class of 1966 presented the Senior Jubilee March 25, 1966.

Festivities began with a spicy enchilada dinner prepared by our own cafeteria staff. Senior students donated money and "heads of lettuce" to help make the many salads needed to complete the menu.

Rick Hornor, master of ceremonies for the two talent shows, brought singers, dancers, comedians, twirlers, and bands on stage for the audiences to enjoy.

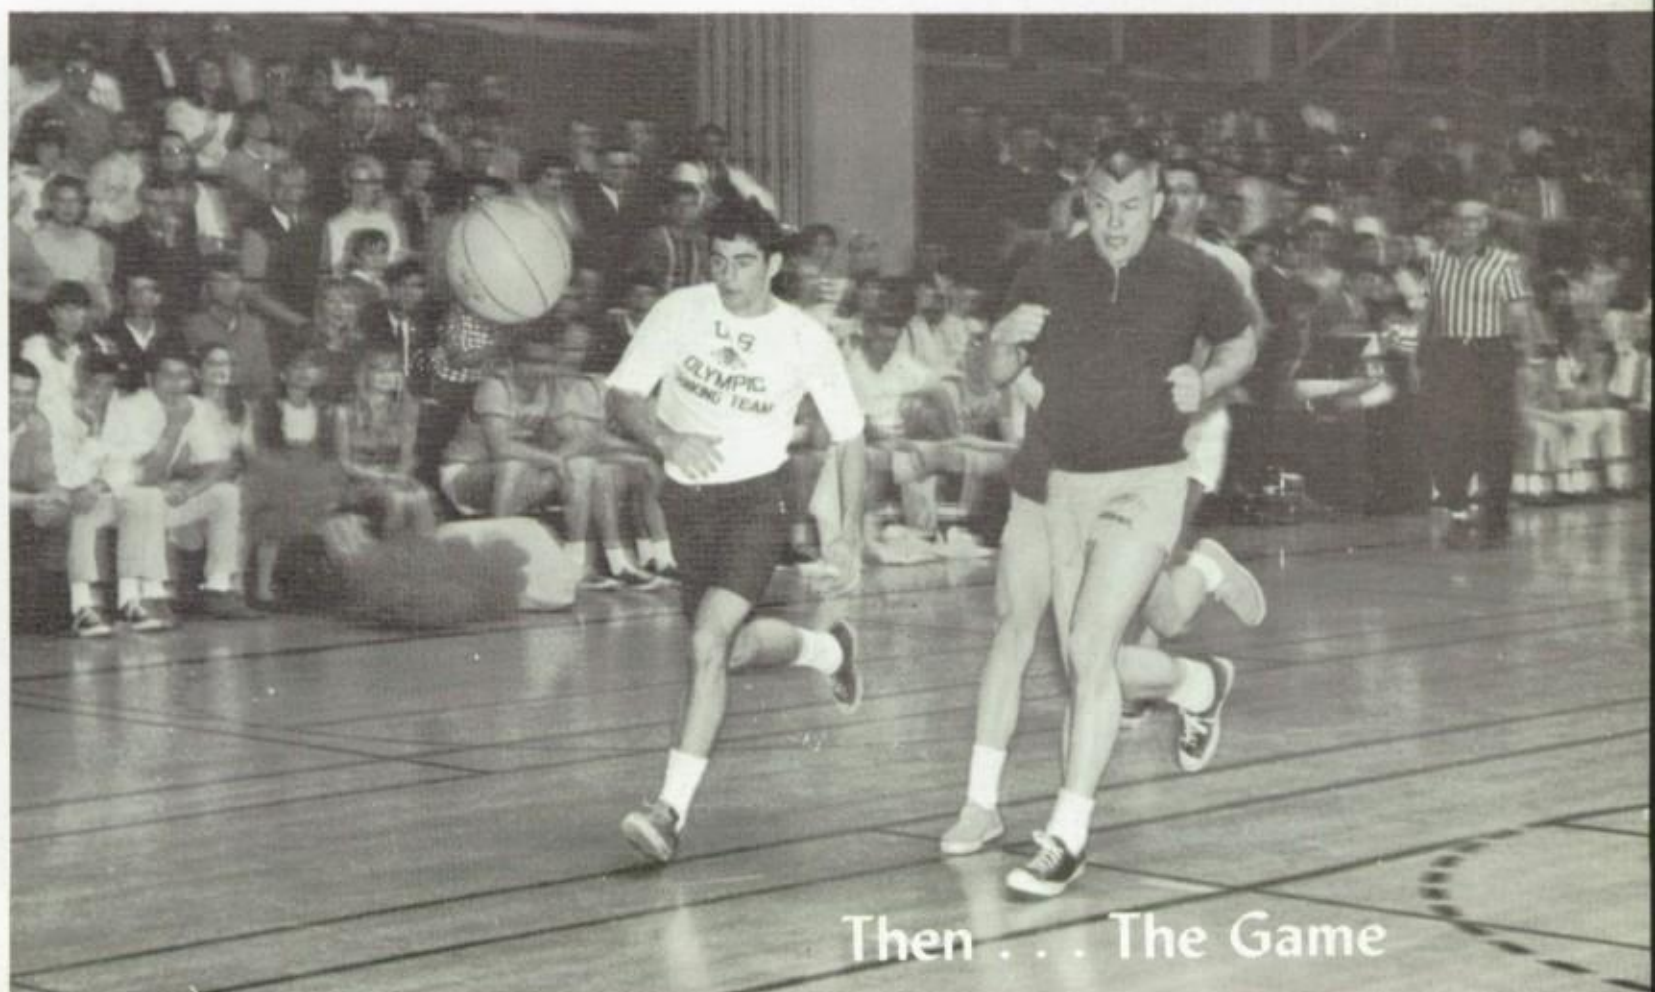

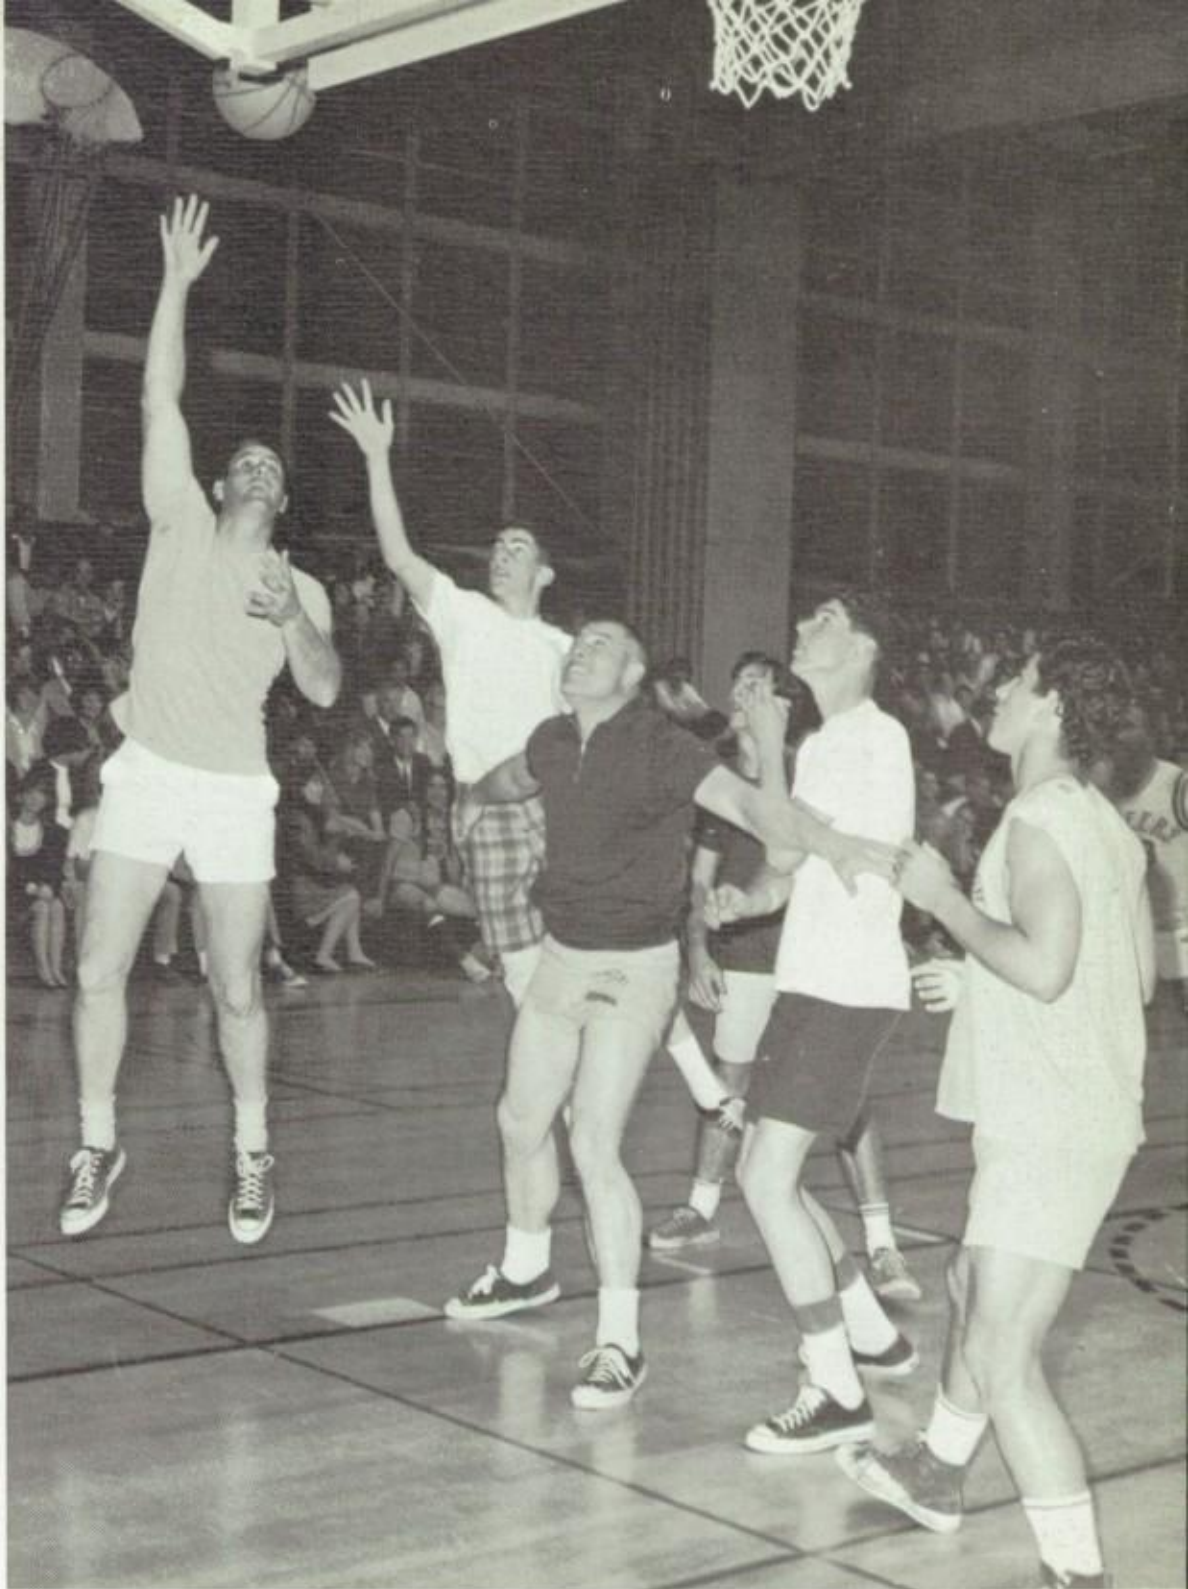

JUBILEE

The Senior-Faculty basketball game was the highlight of the evening. The Seniors fought a long, hard, losing battle to the magnificent Faculty Team, coached by Mr. Fernandez. The boys credited the faculty win to the superior playing of Coach "Shirley" Chaboya.

After the game, students danced to the music of the Zu and Mystic Trend bands.

As everyone knows, the Journalism class has done an excellent job of covering everything from Front page to Sports page. Their paper has proved an important means of bettering communication within the school, giving us a well informed student body.

The class is divided into two general groups, the editors and reporters. The reporters gather the news and write the stories, while the editors arrange the copy to produce our finished newspapers. Each staff member has his hands full with a new paper every two weeks.

Co-operation and efficiency are the key words used to describe this year's Nugget staff. Every sixth period the buzz of hard working staff members was heard as they endeavored to turn out a yearbook to be proud of.

The staff met along with Nancy Nations, Editor, and Mr. Pence, Adviser, to plan, lay-out, write, edit, and arrange the basics necessary to turn out an excellent yearbook.

Ads were sold. Pictures were taken. Copy was written. The pages were edited. Deadlines were met. And the final copy was produced.

Girls Service Societies

All-American Girls

The proud members of the All-American Girls strive to bring happiness, cheer and comfort to those in need. The club offers its services to various organizations and projects in our community as well as in our school. In the past year the ambitious members of the A. A. G. have adopted a convalescent hospital in the area, whose patients they visit periodically. They have also worked with the Ming Quong Orphanage. On the campus the club has sponsored the St. Valentine's dance and helped in other projects. The wish of the All-American Girl is that the club will grow in spirit and continue to render service to school and community.

All-American Girls, Karen Mori, Kathie Wood, Joanne DeLeonardis, and Betty Mulieri plan the St. Valentine's dance.

Altruettes

The Altruettes were formed to honor girls who have excelled both in scholastics and activities. The purpose of the organization is to provide efficient, prompt service to the many organizations who are in need of their aid. Mrs. Stark, Dean of Girls, is the honor society's advisor.

All the service activities cannot be mentioned, but some of the most outstanding have been a book collection for the American soldiers in Viet Nam, collection for the March of Dimes, decorating for many of the school dances, working with the Ming Quong Orphanage, Idlewood Hospital, and the City of Hope. The Altruettes also sold "fuzzies" in order to give a \$100 scholarship to a deserving senior girl.

Their service organization is a great attribute to CHS.

Altruettes, Barbara Crist, Toni Lovaglia, Cynthia Penland, and Sue Cifranic show some of the books the club has collected for soldiers in Viet Nam.

Key Club Carries

Gloria Wright contributes cookies for the Food Drive.

Homecoming is always a big project for Cupertino's Key Club. There are princess candidates to nominate, the half-time ceremony to plan, the dance tickets to sell. The Key Club started another Cupertino tradition this year by presenting a trophy to the most valuable player of the homecoming game—Bob Landreth.

The Christmas food drive was the most successful ever held; over ninety families were supplied with canned and boxed goods. Money collected from students, added to funds raised at homecoming activities, bought turkeys and hams for needy families.

Key Clubbers directed the Cupertino Day Parade, helped at graduation, and served at the state-wide Business convention.

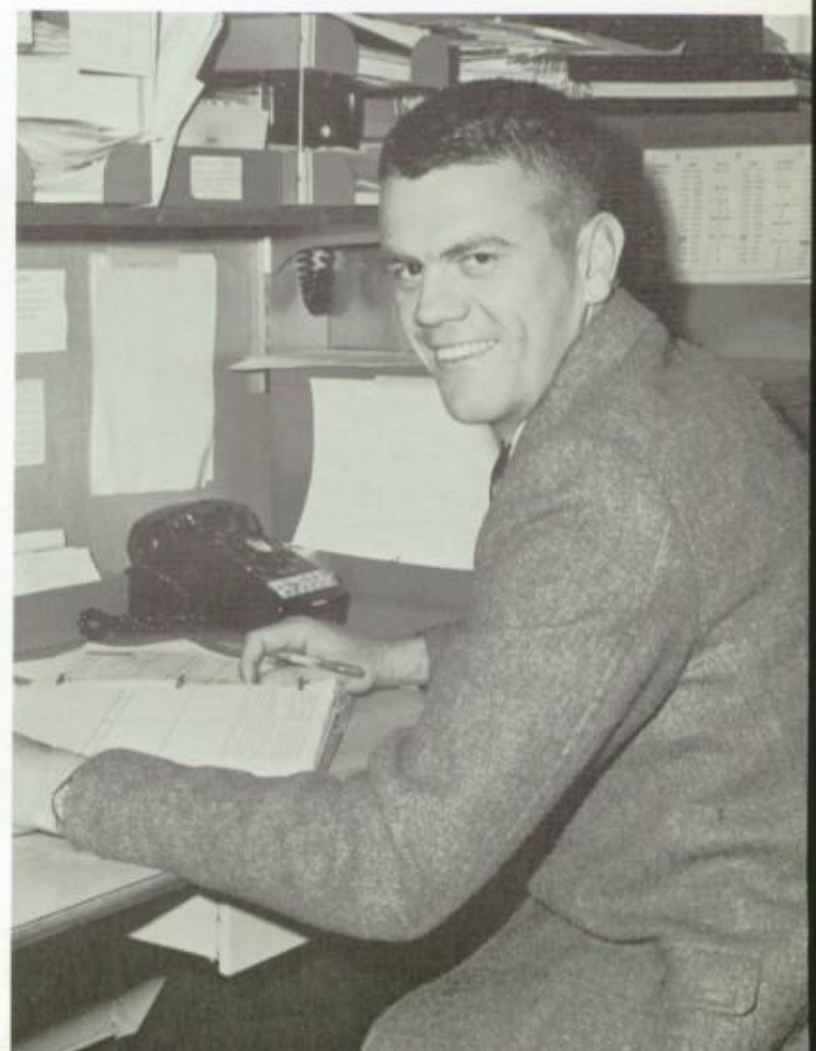

Collecting for the Food Drive is Santa Rick Hornor.

Escorted by Terry O'Sullivan, Key Club Sweetheart Debbie Matheson was honored at the Valentine's Dance.

Develop Better Understanding Of Foreign Cultures

Le Cercle Francais was organized to promote student interest in La Belle France and the French language. In order to bring French cheer to America, the French Club sings Christmas carols at nearby hospitals and at the faculty breakfast. Club members occasionally attend French plays, which increase their understanding of the language. And then, to climax the year's activities, the French Club goes to San Francisco to dine elegantly at a French restaurant.

Activities Further Experiences Of

The **Latin Club** headed by Mrs. Allen is an organization to further knowledge of the Roman language and to promote fellowship between members.

Among the winter activities were a trip to Golden Gate Park and a Saturnalia. Initiation of new members and installation of officers took place at the Saturnalia. The club then practiced Christmas carols.

Summer activities included a Roman banquet, a trip to the beach, and the Junior Classical League Convention. Highlighting the convention held in West Covina were a Roman banquet, talent show, Toga Hop, and a guest speaker.

Meetings are held twice a month to plan future activities.

The purpose of the **Russian Club** is to provide opportunities for Russian language students to learn more about the language in the context of Russian culture. This year the club got its constitution approved and had films and talks by Mr. Jenkins about Russia. President William Wilson says, "We are now hopeful that with official affiliation, we will have the opportunities of recognized clubs to better achieve our goals."

This year the **German Club** headed by Larry Lance engaged in such activities as parties and films about Germany. Present members of the German Club hope that in the future, German language students will take a greater interest in the people and culture of Germany.

Prepare For Future Careers

The Business Club tries to aid the business-minded student by providing movies, lectures, and field trips which cover many aspects of the business world. Hints are given on what to say and how to act when applying for a job. Because today's business world is becoming increasingly competitive, students seeking a business career should learn what will be expected of them—both scholastically and socially. Through this club, students are better prepared to meet these demands.

The International Club was organized to promote interest in foreign cultures. Slides of foreign countries are often shown at club meetings, and sometimes members are even visited by speakers from other countries. The various exchange programs on campus have taken advantage of the T. V. facilities through presentations interviewing foreign exchange students and those students who have gone abroad. A Parent Faculty club meeting was devoted to informing parents of the various foreign exchange programs on campus.

The purpose of the Future Teacher's Club is to expose its members to the opportunities and duties of today's teachers. They are informed of the different teaching levels and of the education needed to meet this greatly demanding field. Through the benefits of this Club, members leave High School with a better knowledge of what lies before them in the teaching profession.

The Sound Of Competition . . .

September sounds of hope—a fresh start and the anticipation of a winning team. Cleats rattle on the pavement on the way to football practice. Water polo and cross country coaches look for promising newcomers. Opening games temper optimism and hard work begins. Outside the sounds of victory and defeat are heard thundering through the stands.

As the days shorten and the temperature drops, the sounds of competition move indoors to the gym and exercise room. Grunts and groans can be heard coming from wrestling practice and the gymnasium echoes with the sound of basketball practice. The gym swells with the sounds of students cheering their team to victory.

With the warmer weather the spirit once again moves outdoors. Splashing from the pool and the crack of the baseball bat are familiar sounds, reminding us that spring has come. Track meets open and boys meet the challenge with energy and endurance. The variety of sports that are offered all year round keep the sound of competition alive at Cupertino.

Youth, Experience, Weight Build For Next Year

The Varsity Football season was highlighted by our Homecoming victory over Wilcox 19-6. It was the first victorious Homecoming game in the school's history. The readjustment of the Pioneer backfield throughout the season didn't seem to solve the problem of moving the pigskin. The shifting of a Senior line to a Junior line still left the team winless for the remainder of the season. We will be depending on the

experienced Juniors next year to come through for a winning season. The Varsity will also be welcoming the Sophomore stand-outs from the Frosh-Soph team.

Paul Thatcher, Barry Burkey, and Bob Landreth were selected as All-SCVAL Honorable Mention. Next year's team will be looking forward to playing on our field under lights.

Varsity Basketball Finishes Strong

Kneeling: Jim Thompson, Bob Schmidt, Steve Johnson, Coach Ferdinandsen, John Meyer, Bob Klure, Standing: Terry Viger, Mike Morris, John Dybvig, Mike McGory, J. C. Eisenreich, Gary Ivey, Bob Ashton, Rich Korte, Mark Evans, Gary Tuttle, Dave Saraceno.

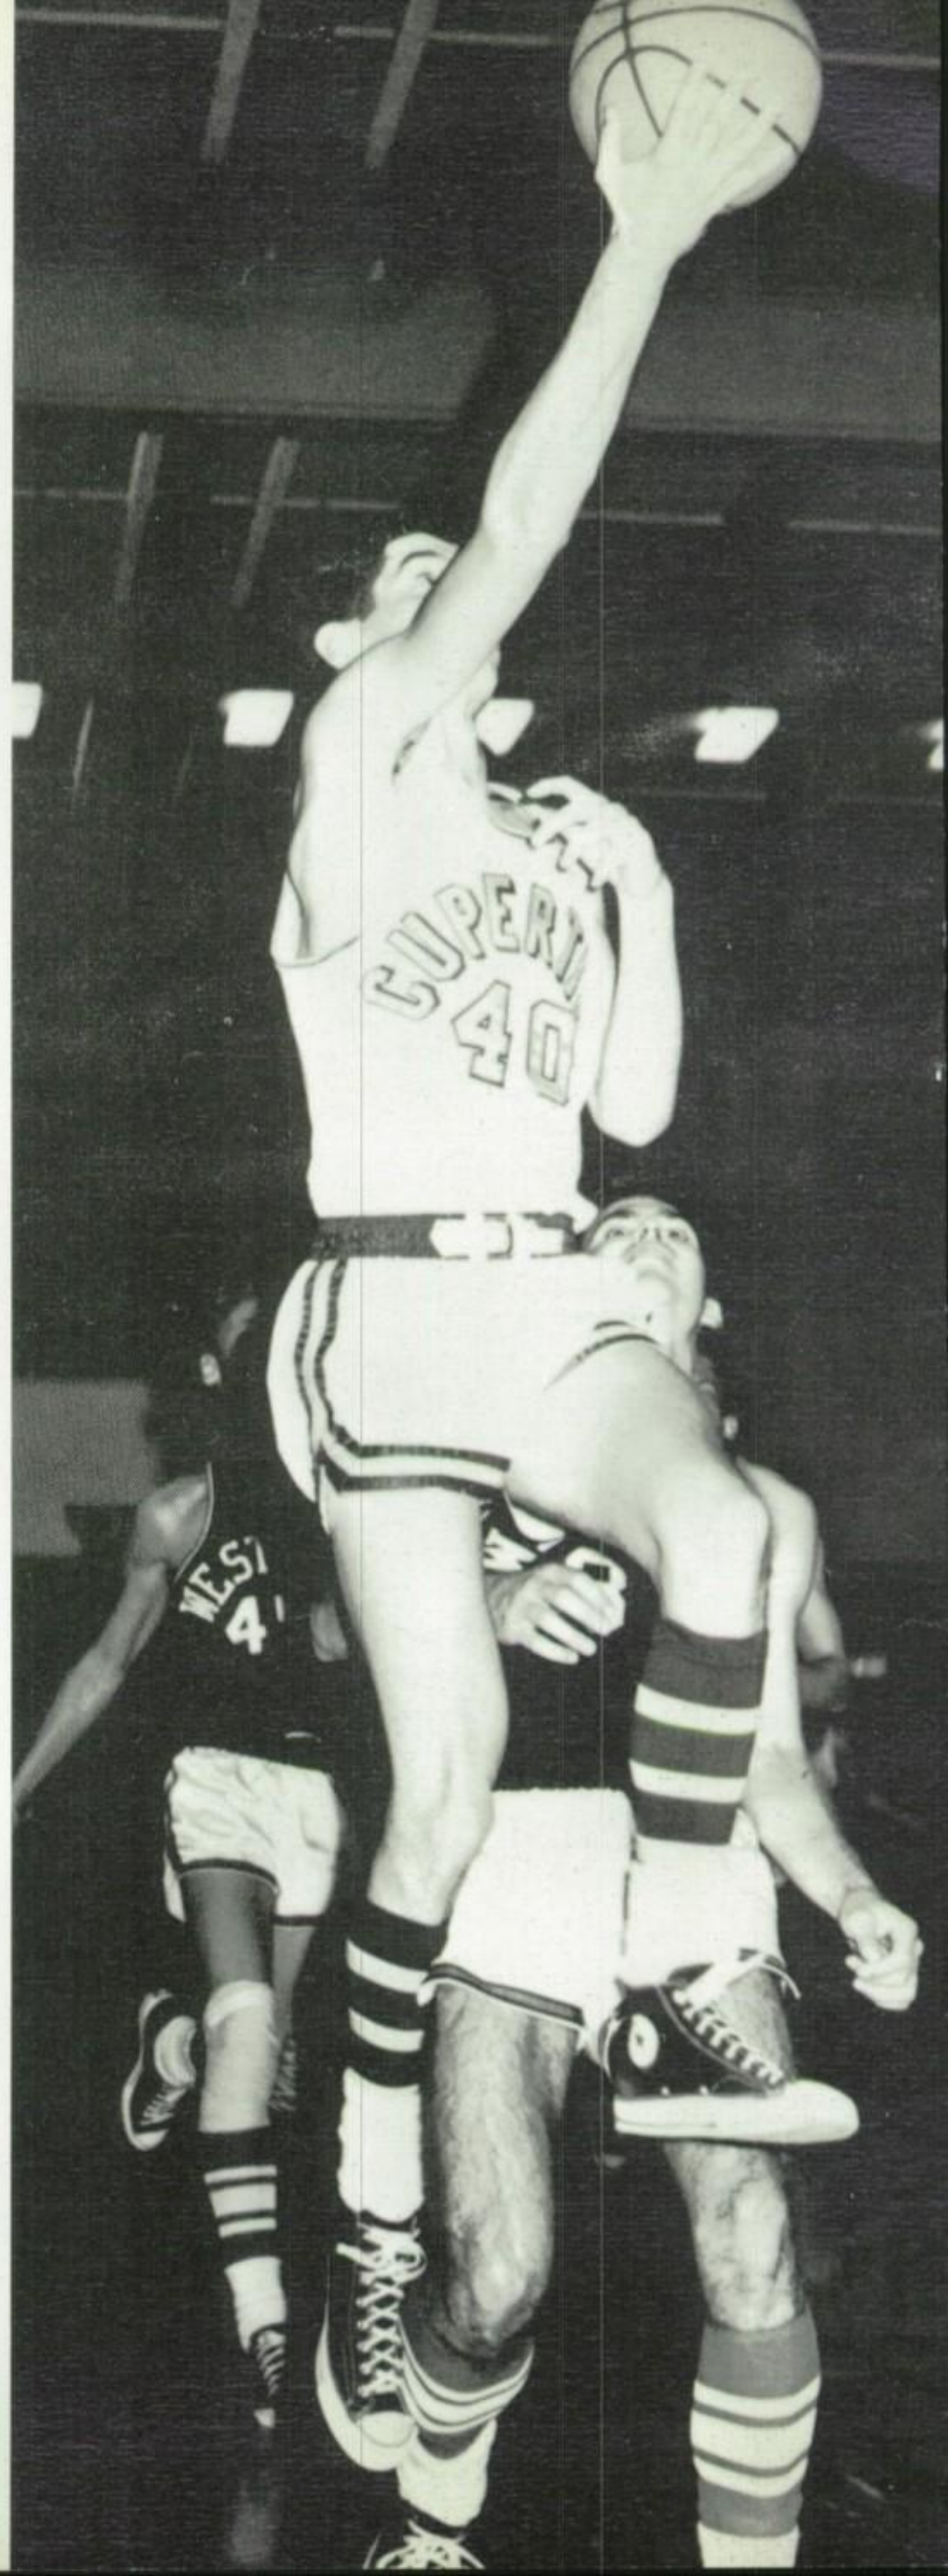

Cupertino's 1966 team, although consisting primarily of juniors, supplied rooters with a maximum of excitement. The fans were on the edge of their seats many an outing.

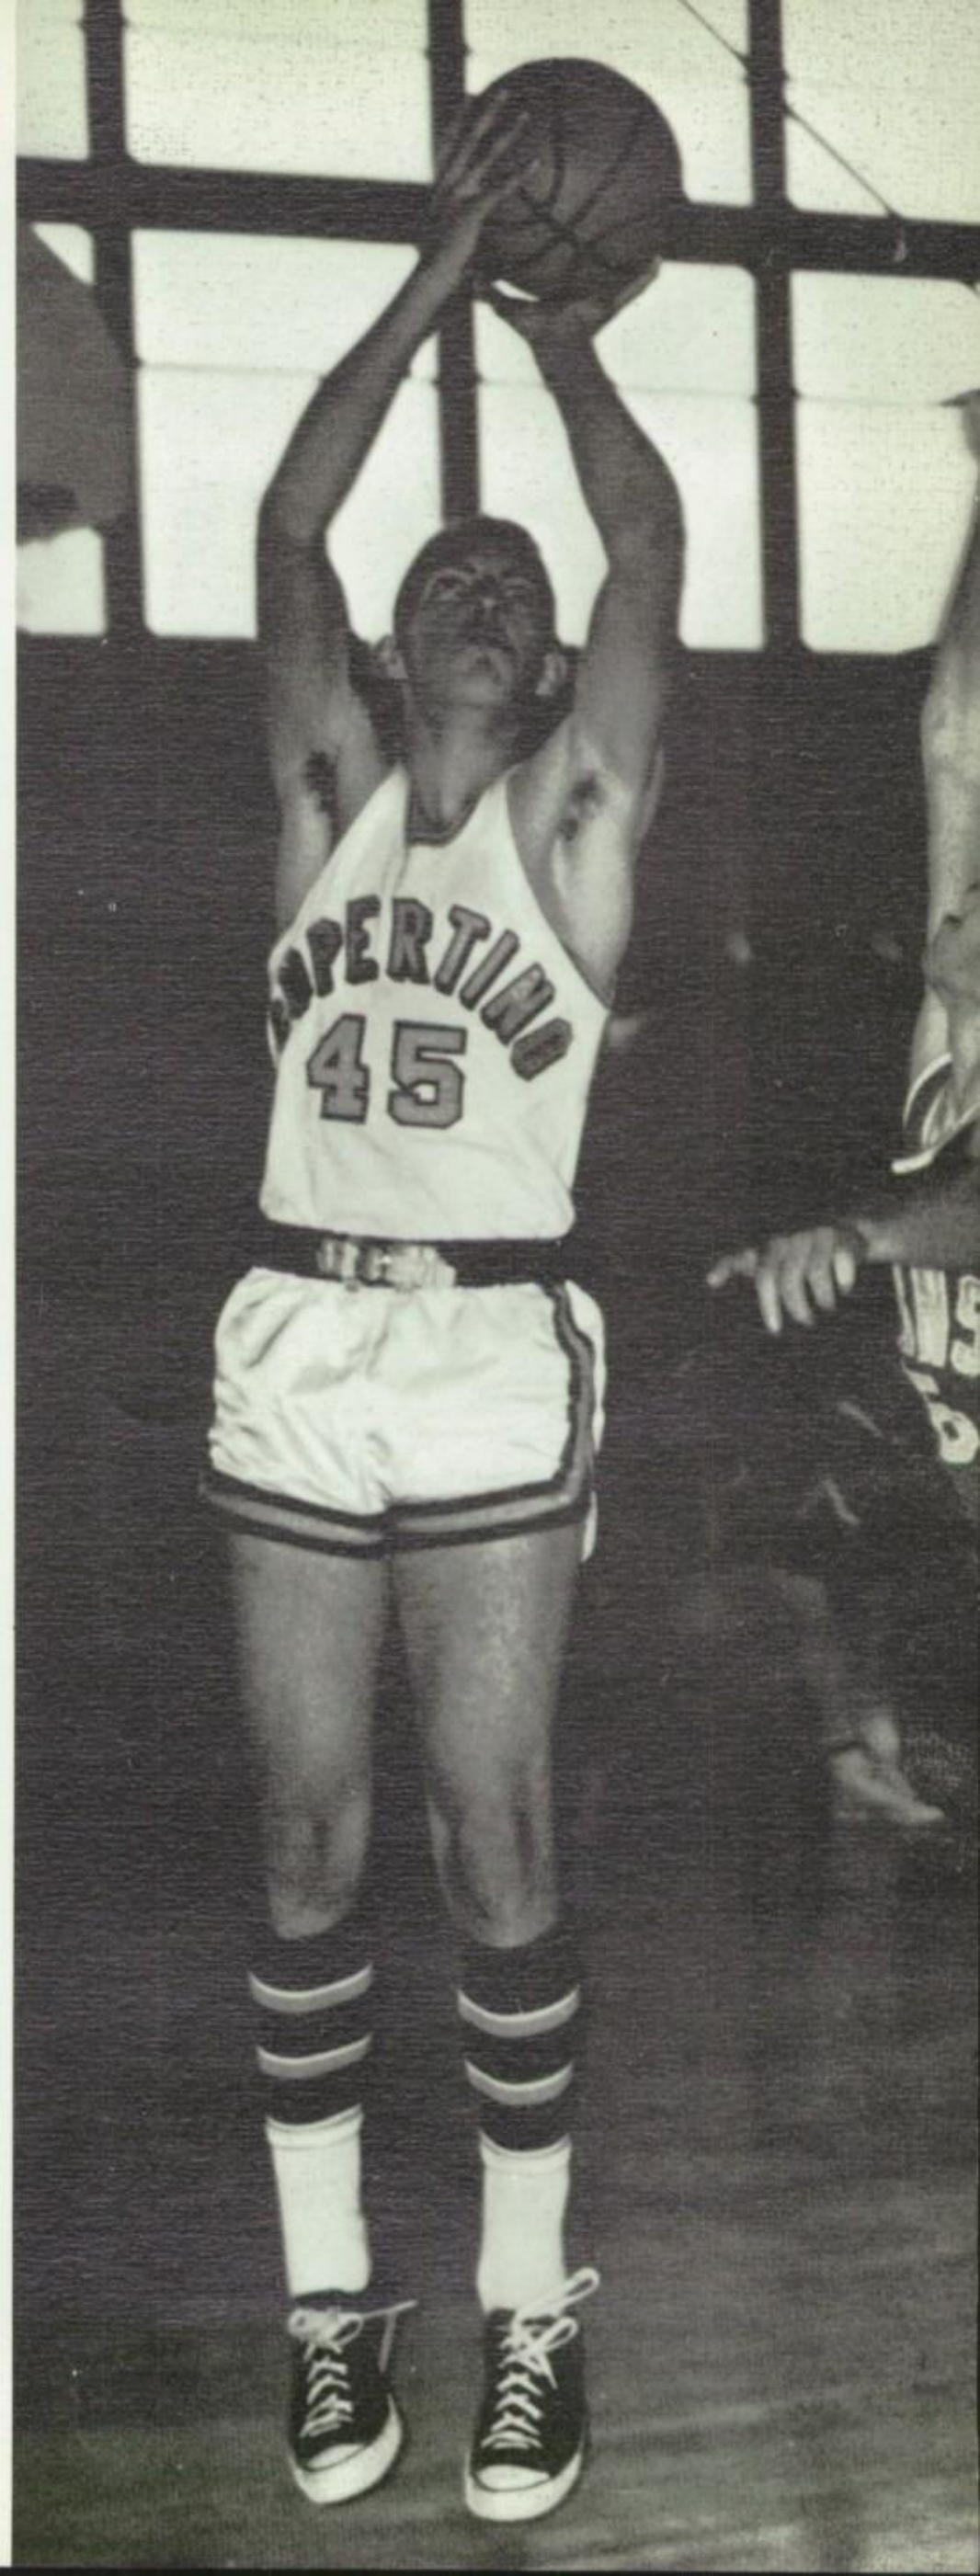

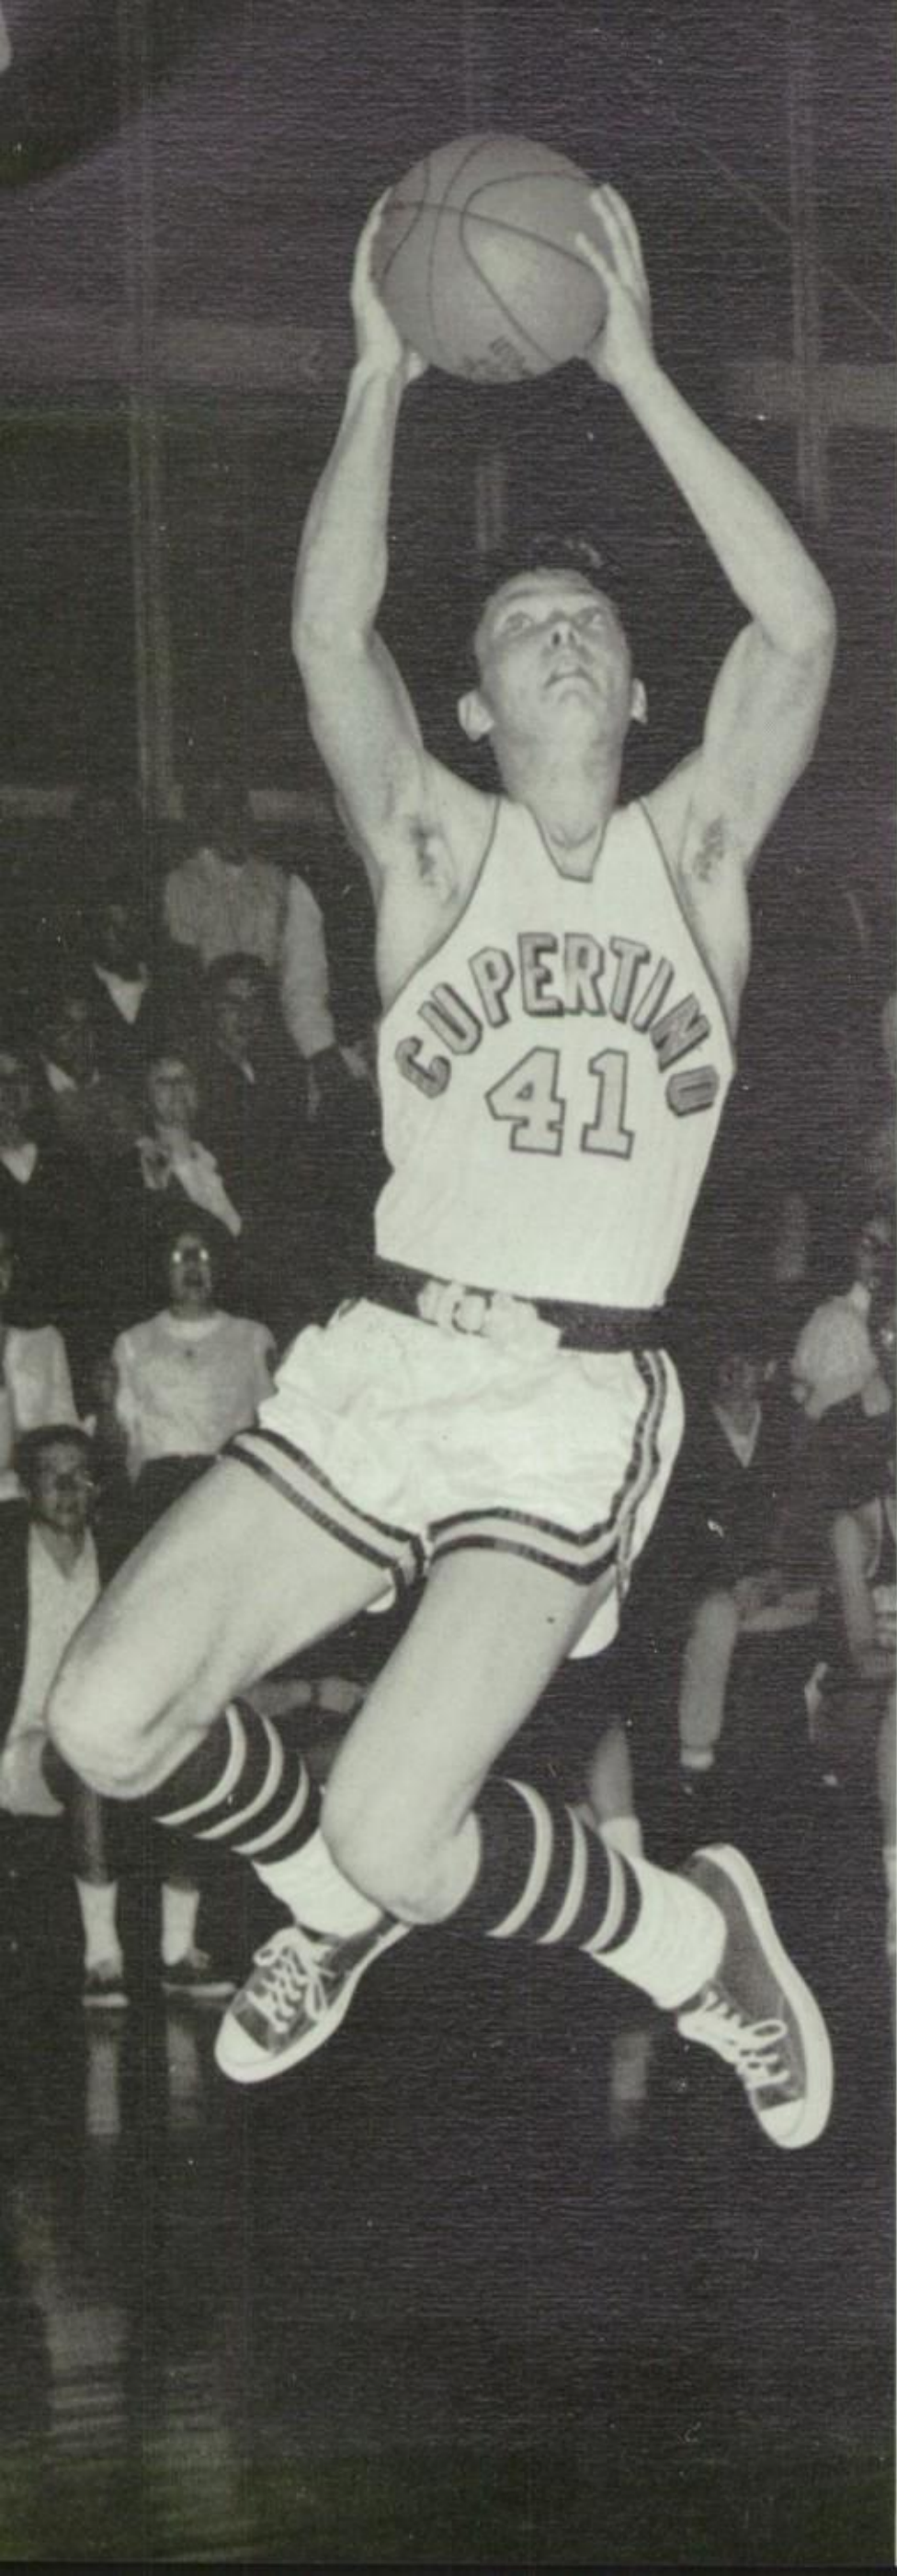

In their opener, the Pioneers racked up a 17-1 lead before Los Altos woke up to overcome them 52-43.

After losses to Mountain View and Sunnyvale, Cupertino blossomed into form. Sparked by the brilliant play of Rich Korte and Mike McGory, the cagers toppled Awalt, Santa Clara, Fremont, and Wilcox.

Mike McGory was third highest scorer in the SCVAL and, at press time, was a leading candidate for All-League honors. Few Cupertino supporters will forget the excitement and tension in the closing minutes of many of Cupertino's efforts in 1966.

Battling for the ball, Steve Bari grabs possession from a Panther opponent.

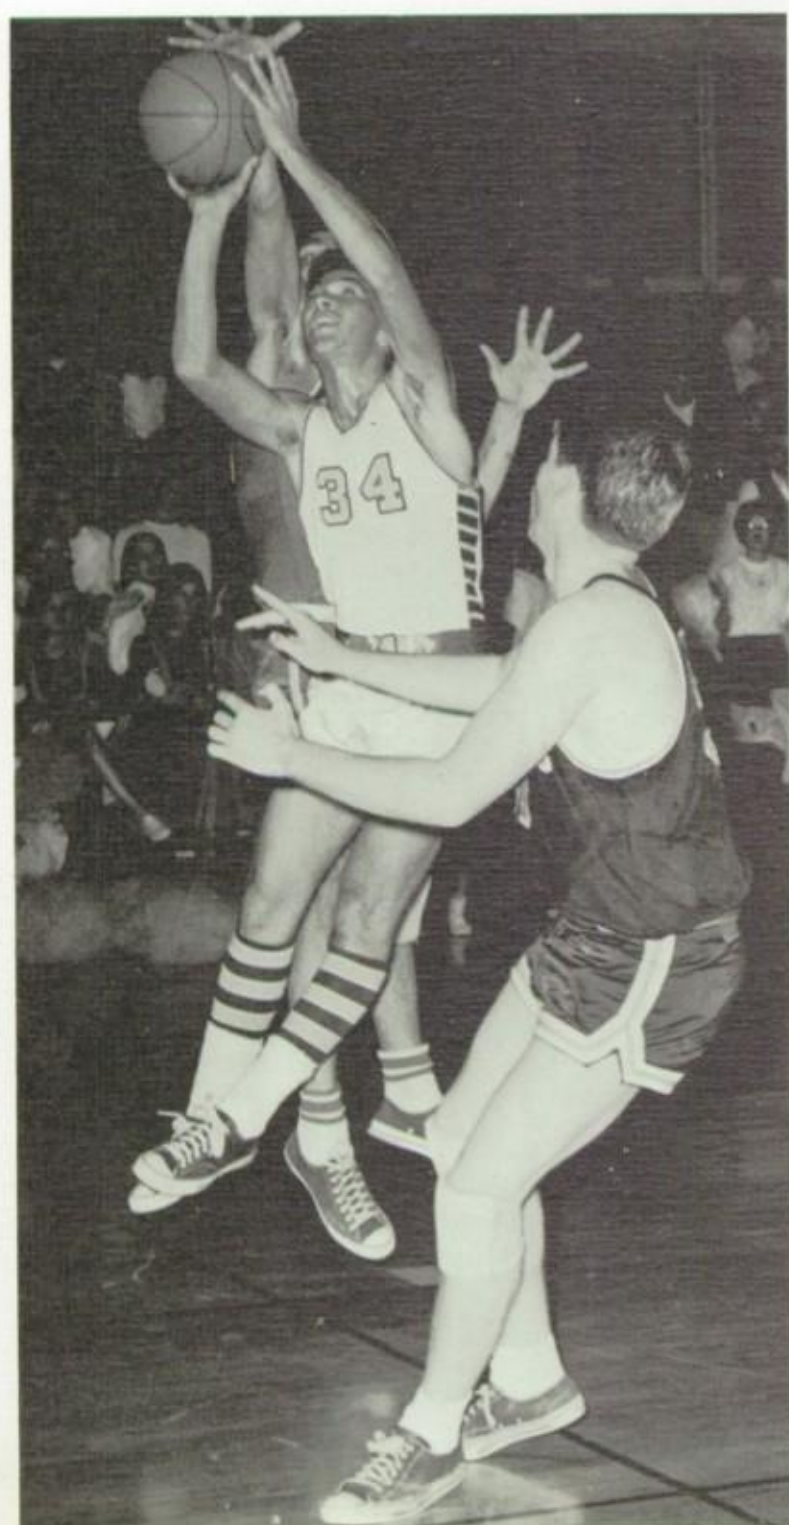

Fate just wasn't with the Frosh-Soph basketball team at the beginning of the '65-66' season. The Blazers couldn't win a game; lost in many overtimes. Then, in the Los Altos Tournament the Pioneers placed an impressive 4th. All-tourney selections from Cupertino were Jay Cruze and Keith Tatsuta. This was the turning point for the Blazers, and they won the majority of their final contests. Keith Tatsuta, Brian Tuttle, Nard Michals and Jay Cruze spark-plugged the Frosh-Soph hoopsters.

Grapplers Gain Fifth In SCVAL

The Varsity wrestling team just missed a .500 season when they lost to champion Fremont in the SCVAL season's final dual match.

On the following Saturday the team earned fifth place in the league finals. Scott Rehm and Al McGuire won second-place honors in their weight divisions, and Art Kipperman, Gary Greenfest, and Bill Meyers placed fourth. Scott Rehm then qualified for the Northern California finals by gaining fourth place at the North Coast Section meet.

Water Poloists Build For Future

Inspiration from Coach Sedgley leads the team on to a victory.

The Pioneers battle against a tough Awalt team.

After going undefeated in summer league competition, this year's Varsity Water Polo team ended a disappointing season with a 2-7 record. The young team, consisting of only three senior starters, splashed past Sunnyvale and Wilcox for their victories. The Frosh-Soph also ended a losing season with a 3-6 record, but both teams swam hard to stay afloat in a fast league. Mark Evans, Tom Collins, and Steve Thompson earned Varsity All-League Honorable Mention, and Frank Brown, Frosh-Soph Honorable Mention.

Stars Of '66

The Varsity works out: Jerry Tompsett, George Hawkins, Dan Horan, Rick Rentschler, Gary Hanson, Chuck Menz.

Hard Work Pays Off For Harriers

Cupertino, suddenly coming into the scene this year with numerous exhibits of fortitude, blazed the way to a second-place finish in the Santa Clara Valley League and Central Coast Finals. But, the "clinch" for the squad was its five-man ten-mile clocking of 49:11, which when compared with other top U.S. squads, ranked the team sixth. Chuck Menz 9:40, Gary Hanson 9:42, Rick Rentschler 9:43, Larry Rentschler 9:55, and Jerry Tompsett 10:11 were the formidable five.

The JV squad proved second best in the Santa Clara Valley. Tom Young, Lynn MonSanto, Art Kipperman, and Herb Weeks, were among the top 10 individuals in the SCVAL.

The Sophs recorded a mediocre season. The team had its high moments, such as a 3rd place in the Large School Division at the 6th Annual Terra Nova Invitational. The MVP and captain, Larry Rentschler led the team to a fourth place finish in the SCVAL Finals.

The Frosh, although not really a pre-season threat, captured third place in the district finals. Bill Horan garnered MVP honors, recording the season's fastest two-mile clocking of 11:13.

The JV's at rest. Standing: Jeff Smith, Herb Weeks, Steve Landuyt, Rich McCracken, Tom Young, Art Kipperman. Kneeling: Craig Kelsey, Lynn MonSanto, Wayne Mathiasen, Mike Morris, Tim Lopez, Terry O'Sullivan.

The **Emporium**-Stevens Creek photographers are responsible for the excellent photography in our yearbook. This year we have attractive Senior pictures as well as bright action shots that highlight our activity pages. Standing here admiring Karen Chamberlin's senior picture are three staff members: Betty Mulieri, Sandy Pettibone, and Nancy Nations.

Cupertino Pharmacy—efficient and accurate in filling prescriptions, also carries famous brand names in perfume and cosmetics. The drug store has developed an overall variety of purchases which suits the needs of all family members. In the picture Nancy Olson and Mike Glass are sampling a famous Men's Cologne.

"Come on gang, let's go to McDonald's" is a common phrase heard on campus after school activities. Toni Lovaglia and Tony Franey are just about to enjoy some delicious McDonald's hamburgers, Fries, and Cokes. Look for the Golden Arches—**McDonald's, where quality starts fresh-every day.**

Ange's is known as one of the finest clothing stores in Cupertino. It carries top quality names in both women's and men's attire. In the store we see Debbie Matheson fitting Howdy Wilson for a sweater. **Ange's is located on Hwy 9 and Stevens Creek** in the heart of Cupertino. Many of our own students along with the people of our community purchase fine outfits from Ange's.

Piers, 3070 Louis Road, Palo Alto, carries the symbol of quality in dairy products. Here Cupertino seniors enjoy the nourishing milk which we at Cupertino have purchased for many years as a beverage with our meals.

THE SOUND
OF WORK .

... AND PLAY

The past year has been one of serenity and frustration, success and failure, hope and despair. Each of us is an intricate part of Cupertino High, and we receive just as much as we give. We've suffered through exams and we've waited tensely for a touchdown. Some of us have practiced all season for sports or worked for months on a dance—but afterwards we've always decided that it was worth it.

We'll remember the flower circle in spring and the lack of rain

gutters in winter. There will always be memories of powder-puff football and the rustle of formals at the Christmas Ball. We've studied until midnight and then decided the next day that it didn't do any good at all. And how could we forget the cold hamburgers and warm smiles, white rallies on Friday and then blue Monday, or seventh periods and the last day of school? We usually just accepted or lived through these things without realizing that they have now become permanent memories.
